Dear parent/carer,

Ofsted Monitoring Visit 17th September to 18th September

An Ofsted Inspection team are visiting Merrill Academy on Tuesday and Wednesday this week to look at the improvements made since the previous inspection in April. They will be meeting with staff, observing lessons and talking to students.

You also have an opportunity to take part in this by using the online **Parent View**.

Please complete the short online questionnaire, giving your views on your child's experience at the academy. See below for details on how to do this. There will also be access to the questionnaire and help available in our school library on Tuesday.

The OFSTED inspection team will be looking at your views and it would be really useful to me as your new head teacher.

Thank you for your support with this

Miss Harlow
Headteacher

Ofsted Parent View
Are you a parent?
Have you heard of Ofsted Parent View?

Ofsted Parent View is an online questionnaire for you to give your views about your child's school.

You can fill it in at any time of the year.

During an Ofsted inspection, you're also invited to give your views to inspectors using it.
